Dear friends and colleagues,

It is with great pleasure that I present the next Dissection Course on Rhinoplasty and Facial Rejuvenation Surgery which will take place on October 19th 20th and 21st 2023 at "Istituto di Anatomia dell'Università di Torino".

This edition will have guests of international fame, such as Dr. José Carlos Neves, Dr. Yves Saban and Dr Abdülkadir Göksel. They will work with me on the dissection of the prepared anatomic samples and share their valuable experience with us.

I would like to give special thanks to Giancarlo Pecorari, Professor and Chief of ORL department of the university of Turin AIAD and to the President Dr. Maurizio Catalani for hosting us in this prestigious institute.
